RESUBMISSION OF OFFICE ACTION RESPONSE AND AMENDMENT

MAIL STOP: Response, Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450
U.S.A.

Dear Sir:

Applicant encloses herewith a re-submission of the office action response and amendment that was previously submitted to the United States Patent and Trademark Office on July 8, 2005, and which is now currently shown on the PAIR system as having been received by the United States Patent and Trademark Office. A printout of the PAIR system as of today's date is also enclosed herewith.

As of July 8, 2005, this office action response and amendment was timely filed, and accordingly, no fee is due for this re-submission.

On October 4, 2005, the undersigned contacted Examiner Douglas Tran (Telephone 571-272-7442) for a status update on this matter. Examiner Tran advised that the Office Action Response and Amendment were never forwarded to him. Accordingly, Examiner Tran advised that it was necessary for the Applicant to resubmit the office action response to Fax Number 571-272-2600. Further inquiry revealed that this number is the Central Telephone Number for the Patent Technology Center, Section 2600. The fax number for all Directors and Art Units for Section 2600 is Fax Number 571-273-8300. Accordingly, the enclosed materials are being faxed to Fax Number 571-273-8300.

Entry of this communication and immediate consideration thereof is respectfully requested.

It is respectfully submitted that this delay is due to an error on the part of the United States Patent and Trademark Office and should be incorporated into a Patent Term Extension upon the final grant of this patent.

Applicant hereby requests that any fee which may be required for the papers being filed with this letter be charged to, or any overpayment be credited to, Account No. 50-2651.

In the event that any PTO official wishes to discuss this application on the telephone, the call should be directed to the undersigned at (416) 865-8213.

Yours very truly,

T. Andrew Currier
